

MODERN APPRENTICESHIPS

Modern Apprenticeships are funded through Skills Development Scotland and are aimed at any employee over the age of 16 wishing to develop their skills and experience and work towards an industry recognised qualification. Modern Apprenticeships are open to new recruits and established employees.

WHY TAKE ON A MODERN APPRENTICE?

- Gain a **highly-skilled workforce**, giving your business a competitive edge
- Increased **flexibility** to meet your business needs
- Ability to design **clear career paths** for employees, helping to improve employee retention and motivation
