

## How to apply for Accommodation Funding

Our online application process is fast and efficient, and it means you have peace of mind financially before embarking on student life with us. Please ensure that you have received your invitation email to apply for funding before making your application. Applications to apply for funding are dealt with on a first-come first-served basis and will not be backdated if submitted after 6 weeks of official course start date.

### **Communication is the key.**

Please ensure your email address is up to date with us as we tend to use this method of communication to let you know about everything until the end of your course. You can update your personal details (address, phone number, email address etc.) using your WCS account you created when you applied online for your course.

**The Accommodation fund is for students who need extra help to pay FORMAL housing costs. You must have a tenancy or mortgage in your own name or the name of your partner if you are living in an established relationship/ are named on the Council Tax Bill for the same address.**

**If you are studying a FE level course (NC, NQ, SVQ, NPA) then you cannot apply for accommodation funding until you have completed and submitted a bursary application. You will already have activated your account therefor you should log back in to your CAMS account as a returning user.**

**If you are studying a HE level course (HNC, HND, DEGREE) then you can apply for Accommodation Funding as soon as you have received your invite to apply email. If you have previously applied for funding from WCS you will already have a CAMS account and should log back in as a returning user.**

Once you have accepted your offer of course you will be sent an activation email inviting you to apply online for funding. This email will include the link to online application site (CAMS) and your Student Reference number.
