

# Schools' S4 VOCATIONAL PROGRAMME

PAISLEY CAMPUS 2023

# West College Scotland

## Schools' Vocational Programme

**Welcome to West College Scotland's Schools Vocational Programme; we are delighted that you are considering coming to study at our College.**

**If you are unsure of what you want to do when you leave school, then read on...**

The courses we offer are ideal if you want to explore subjects and possible career choices which you may not have had the opportunity to study at school. Our courses are designed to give you a whole new learning experience which is different from your school learning.

We aim to help you develop new skills relevant to future employment in the wider world and to give you the opportunity to progress to further or higher education, so that you achieve your ambitions.

We look forward to welcoming you to West College Scotland.

**Fiona McKenzie**

Head of Communities

SCQF 4

### Delivery

Friday Morning

### Mode of Delivery

9.30am-12.00pm

# Frequently Asked Questions

## How do I get there?

Your school will organise transport to take you to the college, and take you back to the nearest point to your home at the end of the day.

## How are the vocational course options different from the subjects that I take at school?

The main difference is that with vocational course options there is a strong focus on building skills for life and skills for work. The vocational courses lead to awards such as Scottish Vocational Qualifications (SVQs), City and Guilds (C&G) and Higher National Certificates HNC.

## How will the courses be certified?

When you receive your certificate from the Scottish Qualifications Authority (SQA) and City and Guilds, the results of your vocational courses will appear alongside the awards for courses you have completed in school.

## So what are the benefits?

The award itself will act as a springboard for you to gain direct entry into the workplace, or into a traineeship or apprenticeship, or to go on to college or university. You will develop valuable skills such as working with others and problem solving, skills that you will need if you are to succeed in the world of work.

## Who do I contact if I have a problem while at College?

The Schools Team can be found in the Renfrew Building along from the Main Reception at the main entrance.
